

Access Pearson from Brightspace by D2L

▶ Watch a [video: Get Started with MyLab and Mastering with Brightspace](#).

Follow these steps to join your MyLab™, Mastering™, or NCCERconnect™ content through Brightspace.

1. Sign into Brightspace and select your Brightspace course.
2. Under Content Browser, select the Pearson module and link.
3. Select **Open Pearson** or the title of your Pearson content.
4. Agree to Pearson privacy policies or authentication requests.
5. Enter the **Username** and **Password** for your student Pearson account. Otherwise, select **Create an account**.
6. Select **Link Accounts**. If you see a confirmation page, select **Continue**.
7. Choose an access option (for example, pre-purchased access code, credit card, PayPal, or free 14-day temporary access).
8. Your Pearson content opens.

To go back to Brightspace, look for the Brightspace tab or window in your browser. That's it. Throughout the semester, we recommend that you access your Pearson content through Brightspace.

To upgrade temporary access to full access:

You will see a page with payment options when you access Pearson from Brightspace. This page appears at regular intervals during your temporary access period. You can also select a payment option from the confirmation or reminder email for your temporary access.

Need help?

If you have trouble accessing, ensure your device [browser settings](#) are set to work with Pearson.
